(C) Per reftel request, we reviewed Post's internal files, CCD records, and electronic files for biographic information regarding individuals on the UNSCR 1591 POE list. We were unable to find any information on the individuals listed in the reftel. On October 25, we discussed the issue with Norwegian Ministry of Foreign Affairs Senior Advisor for East Africa, Anne Strand. Strand told us that she was not aware of Norway having access to the POE lists and that Norway was not actively collecting information on non-designated individuals.
